

# ADOPT-a-WOLF Program

 Our Adopt-a-Wolf Program provides a unique opportunity to come to know one of these complex social animals as individuals and to learn more about their lives.

 Your contribution will support the feeding and vet costs, as well as the maintenance requirements of the wolf enclosure.

 All adopters will receive a certificate together with a picture and a report of the wolf adopted.

 The patrons will receive individual invitations to special events at the Lobo Park.

 Adopt-a-Wolf patrons will receive the annual ticket for free admission to the Lobo Park.

 You can adopt any of our wolves per year for 120 € for each wolf.

 Adopting a wolf also makes a wonderful gift for a friend or family.

On behalf of the wolves we appreciate your support through our
